Services Available

In partnership with the U.S. Small Business Administration, the Small Business Division of the Illinois Department of Commerce and Community Affairs (DCCA) offers Illinois companies an invaluable business asset — resources. Developed by bringing together many of the state's business programs, DCCA has become a common stop for entrepreneurs and business owners who are on their way to starting, expanding or entering new markets. The Small Business Division provides prospective and existing business owners with a variety of business resource programs: in-depth business counseling, specialized business assistance resources, including state regulatory and licensing requirements, confidential environmental compliance assistance, and quality training. All services are delivered to enhance the success of small business in Illinois. Network Centers are located throughout the state.
